HOME-STYLE ARMENIAN

MAYRIG

4/6 Amiryan St, Yerevan

A beautiful restaurant specializing in Western Armenian and Mediterranean-Armenian cuisine, inspired by traditional family recipes. Come for generous mezze, grilled meats and rich, aromatic flavors - a great place to discover a different side of Armenian food.

APRES

2/9 Khanjyan St, Yerevan

A stylish, relaxed restaurant with European, Armenian and fusion dishes. Great for grilled meat, fish, cocktails and a long lunch on the terrace - easygoing, colorful and very good for sharing.

DARGETT BREWPUB

72 Aram St, Yerevan

One of Yerevan's best-known craft beer spots, with a big gastropub menu and plenty of beers on tap. I especially recommend the giant seafood platter - fun, generous and made for sharing.

AVOCADO QUEEN

2/2 Martiros Saryan St, Yerevan

A stylish spot focused on fresh, colorful food with plenty of avocado, seafood and Asian-European influences. A good choice when you want something lighter and polished without sacrificing flavor.

AMBAR GASTROSHOP

6 Paronyan St; also 16 Saryan St, Yerevan

A little piece of Spain in Yerevan, specializing in jamon, charcuterie and seriously good sandwiches. Perfect for a quick bite, a glass of wine and, obviously, a generous plate of jamon.

OLE SPANISH RESTAURANT

52/2 Mesrop Mashtots Ave, Yerevan

A lively Spanish restaurant for tapas, seafood and a proper dose of Spanish atmosphere. On Fridays they make giant paella in an enormous pan - absolutely worth coming for, especially with a group.

MY YEREVAN PICK

NARNIA

41 Isahakyan St, Yerevan

A stylish Asian restaurant with a creative, chef-driven menu: sushi, gyoza, seafood, wagyu and beautifully plated dishes. Come here when you want something more refined and unusual.

MERHATSY

11/5 Yervand Kochar St, Yerevan

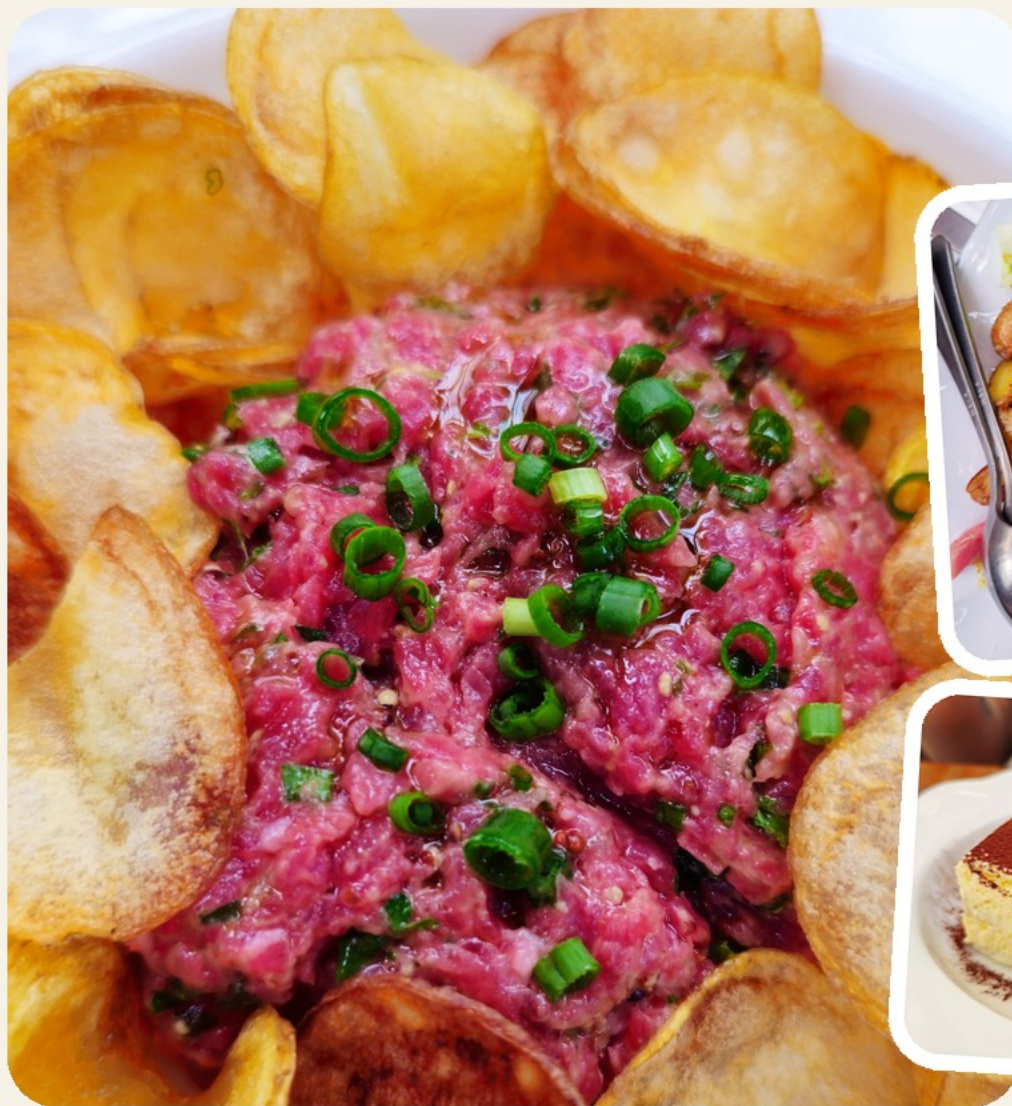

A cozy Lebanese spot for hummus, labneh, falafel, shawarma and fresh bread. Their hummus is my favorite in Yerevan - incredibly smooth, creamy and absolutely worth the visit.

URBAN GASTRO & WINE BAR

42 Aram St, Yerevan

A modern gastro and wine bar with a broad menu ranging from tartares and salads to seafood, pasta and steaks. I especially like it for beef tartare, fresh salads, tiramisu and a good glass of wine.

SIG & CHIPS

12/1 Alek Manukyan St, Yerevan

A casual local spot built around fresh sig fish from Lake Sevan, with a playful fish-and-chips twist. Great for crispy fish, sandwiches and a cold beer outdoors by Circular Park.

DORS CRAFT BEER & KITCHEN

4/6 King Pap St, Yerevan

A proper brewpub with its own craft beer and hearty pub food. Come for fresh pours, pretzels, fried chicken and other perfect beer snacks - relaxed, unfussy and very easy to enjoy.

ABU HAGOP

44 Pushkin St, Yerevan

A family-run restaurant with roots in Aleppo, serving Lebanese, Middle Eastern and Armenian-Syrian dishes. Come for unusual specialties and flavors you will not find on every Yerevan menu.

KARAP CAFE

10/1 Alek Manukyan St, Yerevan

A relaxed cafe by a small pond in Circular Park, with live swans swimming right next to the tables. Lovely for an easy outdoor dinner with pizza, fish, Armenian dishes and drinks.

MINA YEREVAN

13 Martiros Saryan St, Yerevan

An elegant Italo-Levantine restaurant with handmade pasta, seafood, beautiful desserts and a serious wine list. It is definitely expensive, but the food and garden feel genuinely refined.

KTOOR

24 Martiros Saryan St, Yerevan

A cozy Armenian restaurant inspired by old Yerevan and the historic Kond district. Great for khorovats, local specialties and discovering Armenian flavors beyond the obvious classics.

CHARENTSI 28

28 Charents St, Yerevan

A cozy restaurant inside a beautifully restored old Yerevan house with a courtyard and balcony. The menu travels widely - Western Armenian, Mediterranean, Indian, Mexican and vegetarian dishes.

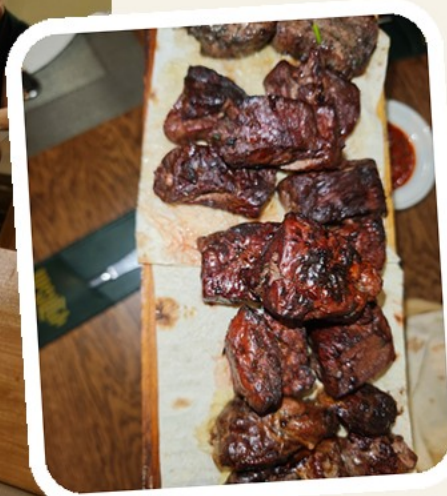

MY YEREVAN PICK

ARTASHI MOT

31 Moskovyan St, Yerevan

A true khorovats paradise for anyone who loves grilled meat. Huge platters of Armenian barbecue, kebabs and juicy cuts straight from the grill - simple, hearty and best visited very hungry.

BUZAND CAFE

13/1 Khanjyan St, Yerevan

A cozy modern cafe with Armenian, Mediterranean and European dishes. The menu is varied, with plenty of fish, meat and colorful salads - an easy all-round choice for lunch or dinner.

SMOKE HOUSE VIKING

15/3 Vardanants St, Yerevan

A small smokehouse for serious meat lovers - brisket, ribs, pork belly and chicken cooked low and slow. And there is one more reason to visit: Brisket, their absolutely adorable resident cat.

SYROVARNYA

5 Northern Ave, Yerevan

A stylish restaurant built around house-made cheeses, Italian-inspired comfort food and grilled meats. A good place when you want something a little indulgent - with plenty of cheese involved.

BEIJING

33 Sayat-Nova Ave, Yerevan

A long-running Chinese restaurant with a huge menu of seafood, noodles, stir-fries and classic Chinese dishes. Great for bold flavors and big plates to share - the whole fish is especially impressive.

MY YEREVAN PICK

KER U SUS

35 Movses Khorenatsi St, Yerevan

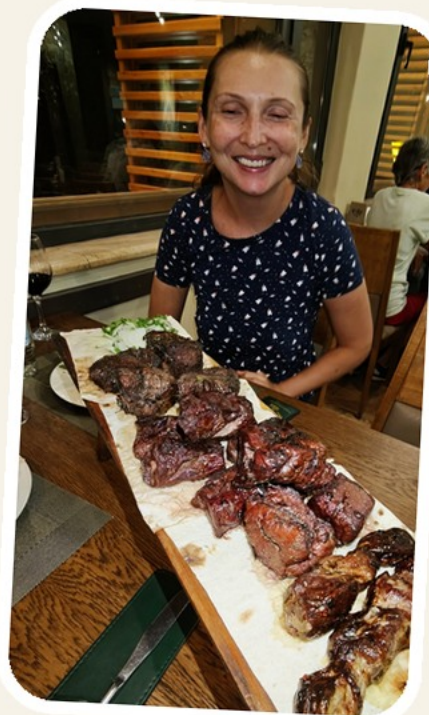

A very simple home-style Armenian cafe where the food feels properly homemade rather than restaurant-fancy. Expect generous portions and hearty everyday dishes - casual, inexpensive and wonderfully local.
